This room scene is for illustrative purposes only. No two floors are ever the same. These natural wood planks have a high level of variation which can include knots, mineral streaks, color, and grain variations. Nature individualizes each plank to show its unique beauty.

## NOBLE'S WAY® | ENGINEERED HARDWOOD

### Where Nature Meets Luxury

Inspired by the rugged beauty of America's rivers and valleys, Noble's Way® invites the spirit of the outdoors into your home – where every plank tells a story of heritage, resilience, and natural elegance. This collection features a high level of natural character and variation between each plank, so it's crafted for those who value authenticity.

- On trend 7-1/4" wide planks features a premium sliced-face European White Oak veneer and wire-brushed texture
- Available in 10 colors, you can feel the subtle ridges of wire-brushed grain underfoot and see the interplay of light across the natural variation in each plank
- Finished with a low-gloss urethane infused with aluminum oxide for enhanced scratch and stain resistance
- Designed for high-traffic areas, it's compatible with staple-down, glue-down, or floating methods - ideal for any grade level
