HORIZON'S EMBRACE™ | RIGID CORE FLOORING

Experience Nature's Expansive Beauty.

Inspired by the beauty of rugged terrains, the tranquil allure of coastal shores and serene vistas of breathtaking landscapes, each plank embodies the essence of the great outdoors. The grandeur of wide-width planks captures the expansive horizons of open landscapes, while offering unmatched durability. This flooring collection brings the outdoors in, transforming any space into a sanctuary of natural beauty.

- Delivers **100% waterproof*** protection, perfect for moisture prone areas.
- With a core that blends the natural wood fibers with plastic polymers, Horizon's Embrace™ WPC flooring provides **greater impact resistance and dimensional stability**. The 20-mil wear layer also adds enhanced overall protection.

Installs on
Any Level

- The **angle locking system** makes for an easy and fast installation on any level of your home. And **no acclimation** of the product is required!
- The thicker core provides a softer feel underfoot that can withstand heavy foot traffic. Plus, the addition of 1.5 mm **attached pad helps with sound-dampening** acoustics for those active households with kids and pets.
